[Siren Everlasting Classic ManLove: Erotic Alternative Interracial Paranormal Romance, M/M, shape-shifters, HEA] A lifetime of torment led him to the perfect man...Lonely Park Ranger William Jain hates dealing with complaint calls, but when he finds a naked, chanting Piute Indian, he's captivated. When the man turns into a raven and flies away, he's heartbroken, but then convinced he's been tricked. Determined to find out who played a joke on him, William is stunned when he sees the same man at the local grocery store. After struggling to overcome racial prejudice, Raven Feather has built a respected construction company. When a compellingly attractive man accuses him of a strange prank, Raven tries to flee, but he's unprepared for the man's determination. Ignorance is bliss, but getting to the truth can be dangerous. Secrets that are generations deep shock both men, but the real question is can they overcome the past or are they destined to be forever lost to happiness? ** A Siren Erotic Romance

A love story with a difference - girl meets girl, they fall in love. A powerful and turbulent novel about first love and crossing boundaries. Louie is a prefect at Woodhaugh High. She plays hockey, passes exams and acts in school plays. She's going to be a lawyer. Willa lives in a pub. She had an affair with the daughter of a preacher and was kicked out of Miller Park College. She just wants to get through her final exams and become a chef. Quietly. Then they fall in love - fast. And everything the girls were sure of - their families, their friends, their faith, their identities - are called into question. Willa and Louie face the consequences, difficulties and joys of their relationship. A fast-paced, turbulent but ultimately uplifting story of deep, painful, heart-wrenching first love. Written in Paula Boock's crisp, direct style this gripping book has a strong appeal for both adults and teenagers. 'an essential addition for all secondary school and public libraries.' Dr Elody Rathgen, Senior Lecturer in Education, University of Canterbury 'it has such a powerful and beautifully written message about the meaning of love.' Otago Daily Times 'I laughed, I cried, I held my breath, as Paula Boock's Willa and Louie fell in and out of love and dared to be true to themselves. Evening Post

A new generation of MEMS books has emerged with this cohesive guide on the design and analysis of micro-electro-mechanical systems (MEMS). Leading experts contribute to its eighteen chapters that encompass a wide range of innovative and varied applications. This publication goes beyond fabrication techniques covered by earlier books and fills a void created by a lack of industry standards. Subjects such as transducer operations and free-space microsystems are contained in its chapters. Satisfying a demand for literature on analysis and design of microsystems the book deals with a broad array of industrial applications. This will interest engineering and research scientists in industry and academia.

It is the wedding the world thought would never happen - two of Greece's oldest feuding families to finally unite. But the marriage is not as it seems. Alesia has been bought by Sebastian. Now all he wants is a child to bind the feuding families. Little does he know that is something Alesia would never give him.
