capital management, financial analysis, risk/return analysis of investment decisions, the financial details of evaluating corporate mergers, and much more. The text is supplemented with tables, graphs and charts, and solutions to practical problems.

Many teachers of college-level business courses use titles in Barron ' s Business Review Series as textbook supplements to illustrate practical examples of business situations. The books also make excellent main texts in adult education and business brush-up programs. In addition to detailed analyses of today ' s business practices, these books include review questions with answers. The authors of this book describe and appraise several contemporary trends and techniques employed in company management, with reference to businesses of various sizes. The strengths and weaknesses of each method are reviewed.

This updated edition defines and explains key financial terms and discusses topics that include: Business types and taxation methods, including the latest changes in 2017 and 2018
The value of money over time
Capital budgeting
Investing and financing
Dividend policy
Investment decisions based on financial derivatives
Financial analysis
Managing working capital
Analyzing financial statements
Financial Software, Social Media and Database
Books in Barron's Business Review Series are intended mainly for classroom use, and include review questions with answers. They make fine supplements to main texts when included in college-level business courses, and can serve as main textbooks in adult education and business

brush-up programs.

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

Professor Richard Sandhusen ' s brand-new and important fourth edition of Marketing explains how four digital-age systems have merged into one to change marketing and management practice as much in the past five years as in the previous half century. These systems--decision support, relationship marketing, integrated marketing communication, and balanced scorecard--receive detailed analysis in this extensively updated book, which also gives more comprehensive coverage to all aspects of the global marketplace than other currently-available textbooks on the subject. Here is vital information for students soon entering business in today ' s ever more globally competitive world. Marketing presents a realistic hypothetical company as it faces business challenges and opportunities on a day-by-

day basis. Although solidly grounded in marketing theory, the book explains marketing strategies within this realistic setting, showing many of the business tactics and decisions students are likely to confront in their own careers. The fictitious company 's domestic and international marketing strategies are explained and analyzed, and real-world examples of successful marketing campaigns by different kinds of companies are also included. Each chapter ends with an overview of essential concepts and match-up exercises that review the text 's material. Here is a popular and accessible new addition to Barron 's respected Business Review Series.
