fx-5800p Programs (can apply to Casio graphing calculators also, e.g. fx-9860g, Prizm) This is a collection of programs I wrote on the Casio fx-5800p. These programs should also work on any Casio Graphing calculator (fx-9860g, fx-9750g, Prizm) since the programming language between Casio calculators remains largely the same.

Casio FX-5800P Scientific Programmable Calculator Amazon

So I settled for fx-5800p with the additional programmability. I am comparing with the fx-991EX (which costs 1/4th of this), which is a non-programmable calculator. Pros: 1) The standard Casio build quality, so no complaints there. 2) I can store my own formulas and code, so that's a big plus for repetitive custom calculations.
