Diversity

The CCH Federal Tax Course approaches the study of taxation from the perspective of the student who will become a business person faced with business decisions that are inevitably affected by tax considerations. This perspective leads to a very different coverage in this textbook -- coverage that is useful for accounting, finance and general business majors. The new edition focuses on the central concepts that build our tax framework and avoids small exceptions and details to ensure that the student can confidently master the critical underpinnings of federal taxation. It abandons minutia
