Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn' t working harder at a list of do's and don' ts—it' s falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you' re wildly in love with someone, it changes everything. Marriage is great, but it ' s not forever. It ' s until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: " How do I have a healthy marriage? " Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way Crazy Love changed the way we saw our personal relationship with God, You and Me Forever: Marriage in Light of Eternity will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, You and Me Forever will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world. Until Expectations May You Part Giddy with excitement and burning with love ' s fire, engaged couples are filled with desires and expectations! Wonder and eager anticipation propel them forward. Then comes the marriage and if they take the wrong approach, those unrealized expectations and unmet wants can turn a life-giving covenant relationship into a dead-end contractual agreement. Suddenly your marriage has no love, joy, or peace. In this marriage-makeover DVD and study guide from Northpoint Resources, Andy Stanley ' s three key teachings help you transform your expectations and examine the " I ' s " of marriage: " Keeping My ' I ' On You, " " Putting Your ' I ' Out, " and " It Takes Three. " Broken into six DVD sessions with discussion questions, this is one lesson your marriage won ' t survive without. Until Expectations Do Us Part Standing at the altar we all had a picture of what our marriage would look like. The problem is this picture of marriage ends up as expectations that we unload on our spouse. The weight of these expectations will rob your marriage of love and joy. As a spouse you never feel like you measure up and you never feel like you are good enough. So what are you to do with your expectations? You can ' t deny them because most expectations started out as God-given desires. In this six-session companion study guide to the DVD, Andy Stanley explains that you must instead learn to transform your expectations and look to God if you are to experience marriage as it was designed. This study guide is complete with a leader ' s guide and six lessons including conversation-starting exercises, discussion questions and application steps. Story Behind the Book Andy Stanley is the senior pastor of three North Point Ministries campuses, with a cumulative congregation of more than twenty thousand. As couples voiced their various marital struggles to him, the common root problem became undeniably clear. The " me " syndrome, or the " I " effect, was tearing apart husbands and wives who were once head-over-heels in love. To help couples step back from their immediate circumstances and realize the bigger picture, he preached a series called " iMarriage. " This DVD and study guide will empower couples everywhere to transform their marriages into the one God intends for them.

God is the center of reality. And He lovingly calls you to worship Him because you will find the one thing that will bring you the most pleasure: Himself.
