Cruise ship engine room - YouTube

'Behind the Fun' will give guests the unique opportunity to explore beyond the public areas with visits to the ship's bridge, engine control room, main galley, staff dining areas, storeroom, laundry and other spaces for a rare insider's view of many areas typically seen only by the ship's crew. The tour is extremely exclusive, it is only offered once during the cruise, on the last sea day and is limited to only 16 participants.

Carnival's 'Behind the Fun' Ultimate Tour | Carnival ...

Carnival does an excellent 'Behind the Fun' tour which DW and I really enjoyed on the Fascination last year. The Engine Room is really the 'manuvering' area, not the diesels and heavy machinery. you see the 'I-95' lower deck areas, the bridge, manuvering, crew areas and some other areas that escape me now.

Fantasy Engine Room and Bridge Tours | The DIS Disney ...

Cruise ship engine room. The basic detail about the cruise ship engine room is its location. For stability, the ship's heaviest weights are at its lowest possible deck, and usually, engines are mounted above the keel. Ship's lowest decks are almost entirely full of machinery.

McDonald -- Founder of Princess Cruises

A comical journey from start to finish, with significant details of exotic ports. Follow Joe, with his off-beat form of luck, and Karen, his wife, on a cruise which crosses paths with international drug dealers, gamblers and money laundering. This story is close to taking an actual cruise without leaving your doorstep with the intense drama of international intrigue.

How Far Would You Go to Survive? Maintenance supervisor Brian Francisco goes to sleep for the night in his Midwest apartment and wakes to find himself a prisoner aboard an oil tanker at sea. His predicament turns desperate when he learns of his captors' intent to eventually kill him. With no clues to the reason for his capture, Francisco has only his ingenuity to fashion an escape. But even if he can manage to break out of the brig, he faces a bigger problem: how to flee a ship in the middle of the ocean. The former soldier must summon all his resources in a desperate bid to outwit the ship's crew as well as the band of cutthroat mercenaries responsible for his abduction. Along the way, he struggles to maintain his humanity...and discover the sinister reason for his capture.

If you want a holiday that's hassle-free, virtually pre-paid, and that lets you see lots of places while only needing to pack and unpack once, then you should try a cruise. This best-selling book is the cruise industry bible: it gives you all the information you need to choose the right cruise for you. Meticulously updated every year by cruise expert Douglas Ward, it is divided into two main parts: the first helps you work out what you're looking for in a cruise holiday and how to find it; the lively text and colour photographs describe every aspect of life on board, including safety, the highs and lows of the cruise experience and how to save money. The second part contains unbiased reviews and fascinating detail of almost 300 ocean-going cruise vessels, and grades them on service, food, entertainment and facilities, using an internationally recognised ratings system.
