NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN--AVAILABLE ON PRIME VIDEO APRIL 30th! From Tom Clancy, the celebrated author of the Jack Ryan series, comes the #1 New York Times bestseller that puts CIA operative John Clark front and center.... His code name is Mr. Clark. His work for the CIA is brilliant, cold-blooded and efficient...But who is he really? In a harrowing tour de force, Tom Clancy shows how an ordinary man named John Kelly crossed the lines of justice and morality to become the CIA legend, Mr. Clark. It is an unforgettable journey into the heart of darkness. Without mercy. Without guilt. Without remorse.

Op-Center is the nation's heart of intelligence and crisis management. Sometimes, it's the only place our government can turn.

Jack Ryan Jr.—along with the covert warriors of the Campus—continues to uphold his legendary father’s legacy of courage and honor in this thriller from #1 New York Times bestselling author Tom Clancy. Privately training with special forces, he’s honing his combat skills to continue his work within the Campus, hunting down and eliminating terrorists wherever he can—even as Jack Ryan Sr. campaigns to become President of the United States again. But what neither father nor son knows is that the political and personal have just become equally dangerous. A devout enemy of Jack Sr. launches a privately-funded vendetta to discredit him and connect him to a mysterious killing in his longtime ally John Clark’s past. All they have to do is catch him. With Clark on the run, it’s up to Jack Jr. to stop a growing threat emerging in the Middle East, where a corrupt Pakistani general has entered into a deadly pact with a fanatical terrorist to procure four nuclear warheads they can use to blackmail any world power into submission—or face annihilation.

As mounting tensions between China and the United States push the world's two great powers to the brink of war, it falls to President Jack Ryan to identify the lethal chess master behind the scenes in this thriller in Tom Clancy's #1 New York Times bestselling series. Jack Ryan is dealing with an aggressive challenge from the Chinese government as the G20 Summit approaches. Pawns are being moved around a global chessboard: an attack on an oil platform in Africa, a terrorist strike on an American destroyer and a storm tossed American spy ship that may fall into Chinese hands. It seems that Premier Zhao is determined to limit Ryan's choices in the upcoming negotiations. But there are hints that there's even more going on. A routine traffic stop in rural Texas leads to a shocking discovery—a link to a Chinese spy who may have intelligence that lays bare an unexpected revelation. John Clark and the members of the Campus are in close pursuit, but can they get the information in time?

Washington, D.C. Midday. A man waits at a bus stop, his intentions unknown. Two government operatives have been stalking him for days, waiting for him to make his move. Unexpectedly, the man takes off running and heads for a deserted warehouse. Jack Noble and his partner, Frank Skinner, believe the man to be part of a terrorist organization that is involved in smuggling drugs and guns and men into the country. But it turns out their plan involves far more export than import, and hits a lot closer to home. As the case unfolds, the man behind it all reaches out to Jack with a simple message... 37 hours. A smash bestseller that spent over six months on the New York Times bestseller list, *Flight of the Intruder* became an instant classic. No one before or since ever captured the world of Navy carrier pilots with the gripping realism of Vietnam veteran Stephen Coonts, who lived the life he wrote about. More than a flying story, *Flight of the Intruder* is also one of the best novels ever written about the Vietnam experience. It's all here—the flying, the dying, the blood and bombs and bullets, and the sheer joy—and terror—of life at full throttle. "Gripping...Smashing. —The Wall Street Journal Grazing the Vietnam treetops at night at just under the speed of sound, A-6 Intruder pilot Jake "Cool Hand" Grafton knows exactly how precarious life is. Landing on a heaving aircraft carrier, dodging missiles locked on his fighter, flying through clouds of flak—he knows each flight could be his last. Yet he straps himself into a cockpit every day. "Extraordinary!"—Tom Clancy Then a bullet kills his bombardier while they're hitting another 'suspected' truck depot. Jake wonders what his friend died for—and why? Hitting pointless targets selected by men piloting desks just doesn't make sense. Maybe it's time to do something worthwhile. Something that will make a difference... "Superbly written." — Washington Times Jake and his new bombardier, ice-cold Tiger Cole, are going to pick their own target and hit the enemy where it hurts. But to get there and back in one piece is going to take a lot of nerve, even more skill, and an incredible amount of raw courage. Before it's over, they're going to fly into hell. "When Grafton is at the controls of his *Intruder*, the novel comes alive with a jolt." — Washington Post Book World
