The Baby Party (+Biography and Bibliography) (6X9po Glossy Cover Finish): When John Andros felt old he found solace in the thought of life continuing through his child. The dark trumpets of oblivion were less loud at the patter of his child's feet or at the sound of his child's voice babbling mad non sequiturs to him over the telephone. The latter incident occurred every afternoon at three when his wife called the office from the country, and he came to look forward to it as one of the vivid minutes of his day.He was not physically old, but his life had been a series of struggles up a series of rugged hills, and here at thirty-eight having won his battles against ill-health and poverty he cherished less than the usual number of illusions. Even his feeling about his little girl was qualified. She had interrupted his rather intense love-affair with his wife, and she was the reason for their living in a suburban town, where they paid for country air with endless servant troubles and the weary merry-goround of the commuting train.It was little Ede as a definite piece of youth that chiefly interested him. He liked to take her on his lap and examine minutely her fragrant, downy scalp and her eyes with their irises of morning blue. Having paid this homage John was content that the nurse should take her away. After ten minutes the very vitality of the child irritated him; he was inclined to lose his temper when things were broken, and one Sunday afternoon when she had disrupted a bridge game by permanently hiding up the ace of spades, he had made a scene that had reduced his wife to tears
