Sharov's Historiographic Metafiction The Art of Revolution III: Communism, Love, Comradeship *Happy Moscow Andrei Platonov*  
Happy Moscow was an unfinished novel by Andrei Platonov, finally published in 1991 and yet it still became one of his greatest works. It is  
believed that Platonov started the novel in about 1932 but abandoned it a few years later. Happy Moscow tells the story of Moscow (or  
Moskva) Ivanovna Chestnova, an orphan trying to make her way through life.

*Happy Moscow by Andrei Platonov*

Happy Moscow shows Platonov as a master of language, weaving out of official names, political speeches, ideological exhortations and  
popular philosophical hopes a reality equal to the gut feel of Soviet life in the 1930s....Happy Moscow remains an extraordinary read, because  
politics doesn't get in the way. This is just what it felt like to be swept away by the Soviet ideal of a new humanity."

*Amazon.com: Happy Moscow (New York Review Books Classics ...*

This is an easy book to recommend and a hard book to review. Happy Moscow is a relatively late and unfinished novel by Andrey Platonov,  
now considered one of the masters of twentieth-century Russian prose. This edition is a revised version of an earlier translation by Robert  
Chandler and his associates, now with introduction, annotations, and a number of other related works (the beautiful essay "On the First  
Socialist Tragedy" alone is almost worth the price of the book, warning about the ...

*Happy Moscow: Andrey Platonov: 9780099577256: Amazon.com ...*

Summary. Andrei Platonov's novel Happy Moscow ( Schastlivaia Moskva) was long in the writing: from 1932 his notebooks were to be filled  
with fitful ideas of plot and characterisation for a work that was to obsess him for several more years, and in 1933, he finished the first six  
chapters. What we now know as Happy Moscow may, in fact, have been intended as part of a longer work, Journey from Leningrad to  
Moscow in 1937 ( Puteshestvie iz Leningrada v Moskvu v 1937 godu ), yet despite ...

*Andrei Platonov's Happy Moscow: Tolstoi, Stalin and the ...*

Andrey Platonov's "Happy Moscow". Translated from the Russian by Robert Chandler, Elizabeth Chandler, Nadya Bourova, Angela  
Livingstone, Olga Meerson, Eric Naiman. New York Review Books Classics, 2012. Love is grasped at but never secured. Each person is  
exhausted, weary, and alone. "I want to live a future life."

*Andrey Platonov's "Happy Moscow" - Words Without Borders*

Happy Moscow by Andrei Platonov. My rating: 5 of 5 stars. Happy Moscow reminds me of Superman comics, the darker ones of my youth in  
the late '80s and early '90s, where a gritty Metropolis was filled with good-hearted people made unhappy by the unkept promises of their  
moral energy. With its eponymous heroine and her lovers locked in a neverending battle to assemble in history from flawed human material  
the new Soviet man (of tomorrow, of steel), the novel takes as its theme an ...

to an end, only objects are left to pine in the dark."

*Happy Moscow Quotes by Andrei Platonov - Goodreads*

Chevengur at OKOLO Theater. Andrei Platonov's dystopian novel is the subject of a sold-out season premiere at the most unassuming and  
unfashionable of cult theaters in Moscow, the OKOLO (aka Theater Near Stanislavsky). Directed by the mysterious Iurii Pogrebnychko,  
Chevengur is only an hour long. It also occasionally breaks into one of Ernest Hemingway's Nick Adams stories, a story called ...
