The "Lost Gospels" refer to the Dead Sea Scrolls and the Nag Hammadi Library, both discovered in the 1940s. The Nag Hammadi Library consists of writings found by two

Online Library Jung And The Lost Gospels Insights

peasants who unearthed clay jars in 1945 in upper Egypt. These did not appear in English for 32 years, because the right to publish was contended by scholars, politicians, and antique dealers. The Dead Sea Scrolls, discovered in clay jars in Palestine by a goatherder in 1947, weathered similar storms. The first team of analysts were mostly Christian clergy, who weren't anxious to share material that frightened church leaders. As Dr. Hoeller shows, they rightly feared the documents would reveal information that might detract from unique claims of Christianity. Indeed, the Dead Sea Scrolls and Nag Hammadi Library both contradict and complement accepted tenets of the Old and New Testaments.

Jungian psychology based on a little known treatise he authored in his earlier years.

Gnosticism developed alongside Judeo-

Online Library Jung And The Lost Gospels Insights

Christianity over two thousand years ago, but with an important difference: It emphasizes, not faith, but direct perception of God--Gnosticism being derived from the Greek word gnosis, meaning "knowledge." Given the controversial premise that one can know God directly, the history of Gnosticism is an unfolding drama of passion, political intrigue, martyrdom, and mystery. Dr. Hoeller traces this fascinating story throughout time and shows how Gnosticism has inspired such great thinkers as Voltaire, Blake, Yeats, Hesse, Melville, and Jung.

Debunks the claims that recently discovered texts such as the Gospel of Thomas and the Gospel of Mary undermine the historical validity of the New Testament.

This book proves there is nothing new under the sun regarding many of our

Online Library Jung And The Lost Gospels Insights

modern religious beliefs. This includes Christianity, and how many of its beliefs could be far older than what we have suspected. It gives a complete run-down of the stellar, lunar, and solar evolution of our religious systems and contains new, long-awaited, exhaustive research on the gods and our beliefs.

For several years, Miguel Conner has engaged the most prominent writers and scholars on Gnosticism and early Christianity on Aeon Byte Gnostic Radio. These interviews with 13 leading scholars represent one of the best ways to get to know ancient Gnosticism, the movement that has inspired Dan Brown, Philip Pullman, Philip K. Dick and The Matrix movies. Read what the best minds have to say about the Gnostic sects, the Gospel of Thomas, the Gospel of Judas, Mary Magdalene, heresy, the origins of Gnosticism, and the original teachings of

Mary "You are holding in your hands a Gnostic gem, a book that contains the rich wisdom of thirteen world-renowned scholars who study Gnosticism and the classical world." April D. DeConick, author of *The Thirteenth Apostle*.

Gnosticism like mysticism pursues the inner way; its authority is not external but internal—a living personal experience—but without denying the outer world. Under the guise of Basilides, a second-century AD Gnostic sage, Jung wrote in 1916 the *Seven Sermons to the Dead* after he had received intense psychic experiences. The author has made his own translation of the sermons and sets forth a lengthy explanation and far-ranging commentary on Jung, Gnosticism, and the present condition of the Western individual.

Jesus was an initiate and adept of the ancient

Online Library Jung And The Lost Gospels Insights

Judaic mysteries who strove to reinstate the tradition of the bridechamber sacrament in his time • Shows that Jesus sought to establish equity of masculine and feminine in both spiritual practice and social traditions, particularly in the sacrament of marriage • Reinterprets Jesus ' key teachings in light of the ancient tradition of sacred consortship • Reveals what happened to the gnostic heart of Christianity that Jesus embodied Jesus was a high-initiate and master adept of the ancient Judaic mysteries who strove to free people from the dead hand of the ritualists. He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born, which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple. At the heart of this movement was a yogic-based practice known in the apocrypha as the Gnosis of the Heart, which espoused the union of both sexes in a secret initiatic

Online Library Jung And The Lost Gospels Insights

teaching. As a fearless social reformer, Jesus wanted to restore the authority of the feminine principle, including asserting the equality of man and woman in the social contract of marriage. He reinstated in his own life the tradition of sacred consortship--a rite known to early Church fathers as the bridechamber sacrament, whereby the marriage of the masculine and feminine energies was effected. This rite, Victoria LePage suggests, was the primary focus of Jesus ' teachings, the very heart of his exhortations to love thy neighbor, and the source of his healing power. Mysteries of the Bridechamber explains how, as a master adept of the Temple of Solomon, Jesus derived these teachings directly from ancient Judaic mystery traditions, revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self-initiation and

And The Nag Hammadi
Library

The publication in 2009 of C. G. Jung's *The Red Book: Liber Novus* has initiated a broad reassessment of Jung ' s place in cultural history. Among many revelations, the visionary events recorded in the *Red Book* reveal the foundation of Jung ' s complex association with the Western tradition of Gnosis. In *The Search for Roots*, Alfred Ribi closely examines Jung ' s life-long association with Gnostic tradition. Dr. Ribi knows C. G. Jung and his tradition from the ground up. He began his analytical training with Marie-Louise von Franz in 1963, and continued working closely with Dr. von Franz for the next 30 years. For over four decades he has been an analyst, lecturer and examiner of the C. G. Jung Institute in Zurich, where he also served as the Director of Studies. But even more importantly, early in his studies Dr. Ribi noted Jung ' s

Online Library Jung And The Lost Gospels Insights

underlying roots in Gnostic tradition, and he carefully followed those roots to their source. Alfred Ribi is unique in the Jungian analytical community for the careful scholarship and intellectual rigor he has brought to the study Gnosticism. In *The Search for Roots*, Ribi shows how a dialogue between Jungian and Gnostic studies can open new perspectives on the experiential nature of Gnosis, both ancient and modern. Creative engagement with Gnostic tradition broadens the imaginative scope of modern depth psychology and adds an essential context for understanding the voice of the soul emerging in our modern age. A Foreword by Lance Owens supplements this volume with a discussion of Jung's encounter with Gnostic tradition while composing his *Red Book (Liber Novus)*. Dr. Owens delivers a fascinating and historically well-documented account of how Gnostic mythology entered into Jung's

Online Library Jung And The Lost Gospels Insights

personal mythology in the Red Book. Gnostic mythology thereafter became for Jung a prototypical image of his individuation. Owens offers this conclusion:

“ In 1916 Jung had seemingly found the root of his myth and it was the myth of Gnosis. I see no evidence that this ever changed. Over the next forty years, he would proceed to construct an interpretive reading of the Gnostic tradition ’ s occult course across the Christian aeon: in Hermeticism, alchemy, Kabbalah, and Christian mysticism. In this vast hermeneutic enterprise, Jung was building a bridge across time, leading back to the foundation stone of classical Gnosticism. The bridge that led forward toward a new and coming aeon was footed on the stone rejected by the builders two thousand years ago. ” Alfred Ribic's examination of Jung ’ s relationship with Gnostic tradition comes at an important time. Initially authored prior

Online Library Jung And The Lost Gospels Insights

to the publication of Jung's Red Book, current release of this English edition offers a bridge between the past and the forthcoming understanding of Jung ' s Gnostic roots.
