Have you ever queued for a restaurant? Pre-ordered something months in advance? Fought for tickets that sell out in a day? Had a hairdresser with a six-month waiting list? There are people who don't chase clients, clients chase them. In a world of endless choices, why does this happen? In this book, entrepreneur and author Daniel Priestley explains why and, most importantly, how. This is a recipe for ensuring demand outstrips supply for your product or service, and you have scores of customers lining up to give you money

A no-nonsense, implementable handbook for taking part in the Entrepreneur Revolution We are living in revolutionary times; times with an impact as significant and far-reaching as the previous Industrial Revolution was to the Agricultural Age. Technological shifts have allowed micro-businesses to compete with large corporations. Small business can now have a global footprint, can be structured in low tax environments, move products anywhere in the world, and access unprecedented levels of support. Entrepreneur Revolution means taking the initiative to do something that you love, something that you're good at, and something that will make you money. This masterclass in gaining an entrepreneurial mindset will show how to change the way you think, the way you network, and the way you make a living. Includes new statistics, activities, case studies, and research Takes a look at how the brain can affect the entrepreneurial mindset Offers new ideas for entrepreneurs starting a new business Helps you shake off old ideas and make a great, independent leap forward This inspiring and practical book shows you how to break free from The Industrial Revolution mindset, quit working so hard, follow your dream—and make a fortune along the way.

You can go after the job you want—and get it! You can take the job you have—and improve it! You can take any situation—and make it work for you! Dale Carnegie's rock-solid, time-tested advice has carried countless people up the ladder of success in their business and personal lives. One of the most groundbreaking and timeless bestsellers of all time, *How to Win Friends & Influence People* will teach you: -Six ways to make people like you -Twelve ways to win people to your way of thinking -Nine ways to change people without arousing resentment And much more! Achieve your maximum potential—a must-read for the twenty-first century with more than 15 million copies sold!

In the present book, *How to Win Friends and Influence People*, Dale Carnegie says, “You can make someone want to do what you want them to do by seeing the situation from the other person’s point of view and arousing in the other person an eager want.” You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, “let the other person feel that the idea is his or hers” and “talk about your own mistakes before criticizing the other person.” This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. *Twelve Ways to Win People to Your Way of Thinking* 1. The only way to get the best of an argument is to avoid it. 2. Show respect for the other person’s opinions. Never say “You’re wrong.” 3. If you’re wrong, admit it quickly and emphatically. 4. Begin in a friendly way. 5. Start with questions to which the other person will answer yes. 6. Let the other person do a great deal of the talking. 7. Let the other person feel the idea is his or hers. 8. Try honestly to see things from the other person’s point of view. 9. Be sympathetic with the other person’s ideas and desires. 10. Appeal to the nobler motives. 11. Dramatize your ideas. 12. Throw down a challenge.

Every industry has Key People of Influence. Their names come up in conversation...for all the right reasons. They attract opportunities...the right sort. They earn more money...and it isn't a struggle. Key People of Influence also have more fun. They get invited on trips away, people buy them dinner, they are treated with respect and others listen when they speak. You may think it takes years, or even decades, to become a Key Person of Influence - as this book shows, nothing could be further from the truth! "Becoming a Key People of Influence" in your industry starts today!

The information age is over. For you to become successful in today's economy, you have to build powerful, mutually beneficial relationships with the right people, who have the right skills and can properly complement your strengths. If you already had all the skills, connections, resources, financial backing and technology you needed to reach the top, you'd already be there. Today's world moves fast. One person cannot possibly be an expert—or even stay informed—all there is to know. The concepts, strategies and tactics detailed can be applied to home-based businesses, start-ups, and storefronts (both traditional brick and mortar and online). The Collaboration Economy clearly explains how to identify your strengths, acknowledge your weaknesses, and find the perfect match to make your dreams a reality in record time.
