Anne Calhoun

Liberating Lacey was a standalone and the first book I've read by Anne Calhoun. Lacey Meyers was newly divorced after a fifteen year marriage. She was in her mid thirties, affluent, grew up in upper class society and still resided there. She had never had passionate sex and truly wanted to know if it

Liberating Lacey by
Anne Calhoun is a well
written erotic book. I

like my erotic books to
have a decent plot but
more importantly
character development
and this book delivered
on that along with some
really hot sex scenes.
