Little Earthquakes is the third novel by bestselling chick-lit author Jennifer Weiner. When I read Weiner's first novel Good in Bed (2001) several years ago, I knew she was going to be one of those authors (which for me includes Chuck Palahniuk and Tracy Chevalier among numerous others) who produces such amazing work that you just have to read everything they publish.

Little Earthquakes is by far Jennifer Weiner's best novel to date. I have read both of her other books Good in Bed and In Her Shoes, which were also great reads. But, Little Earthquakes characters are much developed and you really feel connected to all of the characters.

Little Earthquakes book by Jennifer Weiner

"Little Earthquakes" speaks from the voice of four upscale (somewhat high maintenance) women becoming first-time moms under different circumstances. There are some good visuals around physical and emotional pain. As a whole, the book made the observant social comment that, like people themselves, no birthing experience is the same.

Book review

A warm and witty novel from the acclaimed author of Good in Bed, In Her Shoesand the forthcoming Who Do You Love This is the story of what comes after 'happily ever after' as three young wives make the journey into motherhood, and discover how it changes their sense of themselves and their relationships with friends and family. There's Becky, a plump, sexy chef, with an overworked husband, an adorable baby girl...and the mother-in-law from hell. There's Kelly, an event planner who's trying to cram sixty hours of work into twenty-hour weeks, all while charting her baby's every move on a spreadsheet and hoping that her husband will pull his life together, pull on some pants, and find a job. And there's Ayinde, who is married to Philadelphia's most prominent basketball star, until the combination of new baby and infidelity threatens their marriage. As these three grow closer while attempting to put their lives in order, we also come to know Lia, who returns home to Philadelphia after her life in Los Angeles ends in horrible tragedy. By turns moving, funny, and inspiring, Little Earthquakesis a great big delicious read from a prodigiously talented author.

Rose Feller is thirty years old, a high-powered attorney, with a secret passion for romance novels, an exercise regime she's going to start next week, and dreams of a man who will slide off her glasses, gaze into her eyes, and tell her that she's beautiful. Meet Rose's sister Maggie. Twenty-eight years old, drop-dead gorgeous and only occasionally employed, Maggie is a backing singer in a band called Whiskered Biscuit. She dreams of fame and fortune -- and of getting her dowdy big sister to stick to a skin-care regime. These two women with nothing in common but a childhood tragedy, shared DNA, and the same size feet, are about to learn that their family is more different than they ever imagined, and that they're more alike than they'd ever believe. The brilliant new novel by Jennifer Weiner, Who Do You Love, will be released in August 2015.

From the bestselling author of In Her Shoes, All Fall Down and the forthcoming novel Who Do You Love, Good in Bedis a funny and tender story full of heart. Cannie Shapiro never wanted to be famous. The smart, sharp, plus-sized reporter was perfectly happy writing about other people's lives for her local newspaper. And for the past twenty-eight years, things have been tripping along nicely for Cannie. Sure, her mother has come charging out of the closet, and her father has long since dropped out of her world. But she loves her job, her friends, her dog and her life. She loves her apartment and her commodious, quilt-lined bed. She has made a tenuous peace with her body and she even felt okay about ending her relationship with her boyfriend Bruce. But now this... 'Loving a larger woman is an act of courage in our world,' Bruce has written in a national woman's magazine. And Cannie - who never knew that Bruce saw her as a larger woman, or thought that loving her was an act of courage - is plunged into misery, and the most amazing year of her life.

Cannie Shapiro returns in the acclaimed novel from the author of Good in Bed,All Fall Downand the forthcoming Who Do You Love! It's been almost thirteen years since we last saw Cannie Shapiro, the heroine of Good in Bed, whose journey towards happy-ever-after made millions of women the world over laugh, cry and recognise themselves. The last decade of Cannie's life has brought some surprises. Her life story, in fictional form, became an unexpected bestseller, and Cannie has since retreated from fame's fallout, writing science-fiction under a pen name and praying that all her daughter inherited from her father, Cannie's ex-boyfriend Bruce Guberman, are her curls and her eye-colour, and not his predilection for smoking pot. Meanwhile Cannie's best friend, Samantha, is looking for love in all the wrong places, and Cannie's husband, Peter, has decided that he'd like to have a baby, and the family's first choice for a surrogate is none other than Cannie's flamboyant kid sister ...

A warm and witty novel from the acclaimed author of Good in Bed, In Her Shoesand the forthcoming Who Do You Love (August 2015) For Kate Klein, semi-accidental mother of three, the unsolved murder of a fellow mother is the most interesting thing to happen since the neighbours cracked their septic tank. Up until then life in suburbia has been distinctly underwhelming. Her once-loving husband is hardly ever home. The supermums on the playground routinely snub her and her days are filled with an empty routine. At night, most of her orgasms are of the do-it-yourself variety. So, on Mondays, Wednesdays and Fridays, when her kids are in nursery school, Kate launches a murder investigation of her own. With the help of her best friend, carpet heiress Janie Segal, and former flame, Evan McKenna, she is drawn deep into the dead woman's double life. Suddenly suburbia is not so ordinary after all. Engrossing, suspenseful, and laugh-out-loud funny, Goodnight Nobodyis another unputdownable, sparkling tale; a quick-witted mystery with a great heart and a narrator you'll never forget.

A New York Times Bestseller “A charming story about finding a safe place to let your freak flag fly.” —People “Young readers who have ever felt too big or been made to feel small will feel just right in the cheerful glow of Weiner’s contemporary fairy tale.” —The New York Times Book Review From #1 New York Times bestselling author Jennifer Weiner comes a “smartly crafted” (BCCB) and “heartwarming” (School Library Journal) tale of friendship, furry creatures, and finding the place where you belong. Alice Mayfair, twelve years old, slips through the world unseen and unnoticed. Ignored by her family and shipped off to her eighth boarding school, Alice would like a friend. And when she rescues Millie Maximus from drowning in a lake one day, she finds one. But Millie is a Bigfoot, part of a clan who dwells deep in the woods. Most Bigfoots believe that people—NoFurs, as they call them—are dangerous, yet Millie is fascinated with the No-Fur world. She is convinced that humans will appreciate all the things about her that her Bigfoot tribe does not: her fearless nature, her lovely singing voice, and her desire to be a star. Alice swears to protect Millie’s secret. But a league of Bigfoot hunters is on their trail, led by a lonely kid named Jeremy. And in order to survive, Alice and Millie have to put their trust in each other—and have faith in themselves—above all else.

Jennifer Weiner, author of Good in Bed,In Her Shoes and the forthcoming Who DoYou Love, explores the nuances of female friendship with relish... Addie Downs and Valerie Adler were eight when they first met and decided to be best friends forever. But, in the wake of tragedy and betrayal during their teenage years, everything changed. Val went on to fame and fortune. Addie stayed behind in their small Midwestern town. Destiny, however, had more in store for these two. And when, twenty-five years later, Val shows up at Addie's front door with blood on her coat and terror on her face, it is the start of a wild adventure for two women joined by love and history who find strength together that they could not find alone.

From the “hilarious, heartbreaking, and insightful” (The Miami Herald) bestselling author Jennifer Weiner comes a sweeping, modern day fairy tale about first romance and lasting love. Rachel Blum and Andy Landis are eight years old when they meet late one night in an ER waiting room. Born with a congenital heart defect, Rachel is a veteran of hospitals, and she's intrigued by the boy who shows up all alone with a broken arm. He tells her his name. She tells him a story. After Andy's taken back to the emergency room and Rachel's sent back to her bed, they think they'll never see each other again. Rachel, the beloved, popular, and protected daughter of two doting parents, grows up wanting for nothing in a fancy Florida suburb. Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if they've been running toward each other all along. With honesty, wit, and clear-eyed observations about men and women, love and fate, and the truth about happy endings, Jennifer Weiner delivers two of her most memorable characters, and a love story you'll never forget.

Blockbuster #1 New York Times bestselling author Jennifer Weiner returns with an irresistible story about a young woman trying to make it in Hollywood... Actors aren't the only ones trying to make it in Hollywood... At twenty-three, Ruth Saunders left her childhood home in Massachusetts and headed west with her seventy-year-old grandma in tow, hoping to make it as a screenwriter. Six years later, she hits the jackpot when she gets The Call: the sitcom she wrote, The Next Best Thing, has gotten the green light, and Ruthie's going to be the showrunner. But her dreams of Hollywood happiness are threatened by demanding actors, number-crunching executives, an unrequited crush on her boss, and her grandmother's impending nuptials. Set against the fascinating backdrop of Los Angeles show business culture, with an insider's ear for writer's room showdowns and an eye for bad backstage behavior and set politics, Jennifer Weiner's new novel is a rollicking ride on the Hollywood roller coaster, a heartfelt story about what it's like for a young woman to love, and lose, in the land where dreams come true.

The plans of four women—including a college student egg donor, a working-class surrogate mother, a wealthy woman, and her stepdaughter—are thrown into turmoil when the wealthy woman's husband suddenly dies and names the stepdaughter the unborn baby's guardian.
