New town, new job, new neighbor... new crush. I've got a serious problem and it goes by the name of Ted Jones. Even his name is nerdy! Combine that with his glasses, lean runner's frame, crazy smarts, and superhero addiction and he's got my lady engine revving hard. What can I say? I've got a thing for hot nerds. But our shy glances and awkward exchanges in the elevator aren't going to cut it. This nerd is mine; he just doesn't know it yet.

This is a spine-tingling novel that will keep you on the edge of your seat until the final prayer.

Anarchy Comics: The Complete Collection brings together the legendary four issues of Anarchy Comics, the underground comic that melded anarchist politics with a punk sensibility, producing a riveting mix of satire, revolt and artistic experimentation in the late-70s and early-80s. This international anthology collects the comic stories of all thirty international contributors. Full of radical politics, superb artwork and a great sense of humour, this book is utterly unique and, as comic legend Alan Moore puts it, 'A brave and brilliant collection.'

Gina Dollson was once on top of the bikini modeling world, and then she met a young woman named Felicia Fetters. Taking Felicia under her wing, Gina taught her everything she knew about modeling, but unknown to Gina, a deep resentment and jealousy was festering in Felicia. Soon, Felicia hatched a kidnapping scheme in the hopes of sabotaging Gina's career. The plan backfires, hurting both women in the process. Years later, Gina exacts her revenge on Felicia, who is now Sheriff of a small beach town. Gina and her beautiful accomplices kidnap Felicia and her lover, the beautiful bartender Janet. With Felicia out of the way, Gina declares herself Sheriff and promises to clean up crime in the town. Things escalate quickly for Gina when a beautiful former colleague reaches out to her for help after stumbling across a dark secret. Gina attempts to help this beautiful, bikini clad damsel in distress, but soon finds herself bound and gagged in the process (and often in very little clothing). Can Gina and her beautiful deputies succeed where Felicia failed? Or will Gina and the girls also end up as helpless bondage slaves to the dark forces around them? This volume collects the complete second volume of the bondage filled saga,

What appears to be a tale of progressive development and reversal of a life path in the portrayal of a single individual is, in reality, a quest for answers and a declaration of opinion concerning the questions we ponder. In describing the 78 years of his own chronological development, Dr. Clyde v. Collard has painted a vivid picture of the human condition and the forces explicit in shaping the biological and social existence of each of us. In the generic sense, that which applies to one human applies to all humans. John Donne expressed that sentiment when he wrote, And therefore never send to know for whom the bell tolls; it tolls for thee. The author here states, Look, then into the glass, perceive yourself And now . . . choose.
