On the verge of retirement, and divorce, Andrew is forced to come to terms with the platitude his life has become. Then John Taplow, a previously unnoticed pupil, gives Andrew an unexpected parting gift: a second-hand copy of Robert Browning's translation of Agamemnon - a gift which offers not only a opportunity for redemption, but the chance to gain back some dignity. This volume also contains Harlequinade, a farce about a touring theatre troupe, written to accompany The Browning Version in a double-bill under the joint title, Playbill. 'Few dramatists of this century have written with more understanding of the human heart than Terence Rattigan' Michael Billington This edition includes an authoritative introduction, biographical sketch and chronology.

While some try to get out of prison, Soapy, the only character in O. Henry ' s short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? Silas Marner: The Weaver of Raveloe is the third novel by George Eliot, published in 1861. An outwardly simple tale of a linen weaver, it is notable for its strong realism and its sophisticated treatment of a variety of issues ranging from religion to industrialisation to community. The novel is set in the early years of the 19th century. Silas Marner, a weaver, is a member of a small Calvinist congregation in Lantern Yard, a slum street in Northern England.

He is falsely accused of stealing the congregation's funds while watching over the very ill deacon. Two clues are given against Silas: a pocket knife, and the discovery in his own house of the bag formerly containing the money. There is the strong suggestion that Silas' best friend, William Dane, has framed him since Silas had lent his pocket knife to William shortly before the crime was committed. Lots are drawn in the belief - shared by Silas - that God will direct the process and establish the truth, but they indicate that Silas is guilty. The woman Silas was to marry breaks their engagement and marries William instead. With his life shattered, his trust in God lost, and his heart broken, Silas leaves Lantern Yard and the city for a rural area where he is unknown. Marner travels south to the Midlands and settles near the rural village of Raveloe in Warwickshire where he lives isolated and alone, choosing to have only minimal contact with the residents beyond his work as a linen weaver. He devotes himself wholeheartedly to his craft and comes to adore the gold coins he earns and hoards from his weaving.
