The Pleiadians, a collective of multidimensional beings from the Pleiades star system, have been speaking through Barbara Marciniak since 1988. This long-awaited book shares new inspiration from over nine years of previously unpublished Pleiadian wisdom, and Marciniak offers innovative ideas for changing beliefs, reclaiming one's power, and creating a world of unlimited possibilities. She also presents critical new material on how to deal with the world's increasing chaos and the accelerated pace of life. Consisting of profound new insights on power, fear, love, desire, health, sexual intimacy, energy, and creativity, this timely text is for those ready and willing to embrace self-empowerment, seek the truth, broaden awareness, and meet the challenges of a world on the brink of major change. Individual chapters include Energy and Frequency — A New Playground of the Mind, Accelerated Energy and Stretching Your Mind in the Nanosecond of Time, and The Intimate Dance of Beliefs and Emotions.

Compiled from more than four hundred hours of channeling by Barbara Marciniak, *Bringers of the Dawn* imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.

With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of *The Book of Earth*, which comprises all human experience. While "our world goes belly-up in these most absurd of times," they offer us "tools for survival." During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: "You shall change, you will change, you must change, because this is the season of change."

Mind Body Spirit.

Embraced worldwide as key spiritual teachers of our times, the Pleiadians are back, with another bold and controversial look at our highest purpose on Earth. *Earth: Pleiadian Keys to the Living Library* is their handbook to inspired living, calling on us to restore and return value to the human being, and to recognize the Goddess energies and the power of blood as connections to our DNA and our heritage. Using wit, wisdom, and deep compassion, they entice

us to explore the corridors of time through the concept of the Game Masters; to awaken the crucial codes for multidimensional perspective; and to redream the Living Library of Earth. Their teachings are significantly arranged in twelve chapters to trigger a deeper understanding of our ancestral lineage. Earth probes the memories hidden deep within us to reveal our crucial roles in the transformational process unfolding in our times.

The Pleiadian Emissaries of Light provide this fascinating chronicle of human spiritual evolution from a galactic perspective. This wider history of our solar system restores the long-forgotten connection of humankind with Venus, Mars, Maldek, and Earth. The truth about our ancient past is uncovered, helping us to remember the experiences that have caused us to function dualistically, and guiding us toward karmic wholeness as unified and divine beings.

The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amora Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

Learning to consciously interact in the domain of subtle energy is the next step in personal and planetary transformation. The Path of Energy is a unique handbook of principles, practices and exercises to help you access your energy awareness and live a more empowered life. In the book are 13 meditations that activate patterns of light within your energy body to awaken specific abilities and levels of awareness. Each meditation includes benefits and purpose, step-by-step written directions augmented with line drawings, and an interpretive illustration of the completed energy pattern. Subtle energy is more than life force; it is the substance of reality and the vehicle of consciousness. Your body is wired to navigate this domain. You are equipped with everything needed to engage the world of energy and creatively change your life. You simply need to remember how. The Path of Energy is a guide to living with expanded consciousness. Included are techniques that build energy awareness and use this skill to deepen your spiritual path, intimacy in relationships, align with earth energy, clear space, create protection, manifest goals, facilitate healing, and more.

The Pleiades are a mystifying cluster of stars believed by many to be a source of spiritual wisdom. James Carwin serves as a medium who delivers messages from his Pleiadian spirit guide, Deltavash. This compilation of channeled writings features astounding information told from an extraterrestrial perspective. Learn about the true history of Earth, extraterrestrial races, the nature of good and evil, ascension into the 4th dimension, world predictions and the future of humanity as we approach a window of opportunity leading up to the year 2020 that can forever change our world and affect the entire universe.

Anne Brewer, a corporate marketing consultant, was stunned when she began receiving telepathic messages from a group of friendly non-physical beings sent to help raise the consciousness of Earth. According to these beings, in eons past, humans were created with only two active strands of DNA which limited our evolutionary potential and inhibited the ability to ascend or function as Spirit in physical form. They taught her a process called 12-Strand DNA Recoding that she has shared with thousands in her book, *The Power of Twelve, A New Approach to Empowerment Through 12-Strand DNA Consciousness*. Anne's remarkable true story of her DNA Recoding is of great assistance to all of us who desire to achieve our full potential. Her transformative process includes powerful channeled instruction and holistic balancing modalities to quicken manifestations and clear the path to love. The power of the 12-strand DNA energy is illustrated through Anne's examples of how she obtained greater health, wealth, and happiness in her own life. This
