Order of Tales Of The Shareem Books - OrderOfBooks.com

REES is the first book in the Tales of the Shareem series. Allyson James also writes other other names including Jennifer Ashley. This book was my first foray into this pseudonym. The book is definitely of the erotica variety with much more explicit and graphic and exotic than your more typical romance novel.

Tales of the Shareem are about a group of men genetically engineered to be sex slaves for women. The men have been fed from the corporation that created them but line on the fringes of society that heavily restricts their rights. In that way the overarching story reminds me somewhat of the Shifters stories that she writes as Jennifer Ashley.
