Cedar Homes of the Rockies

A typical new roof cost can vary greatly depending on materials, location, surface area and type of roof, average labour costs etc. But the average cost of a replacement roof in the UK is around £4,000. However, this figure assumes a detached house with a typical 'up and over' gable only roof design of average size, using cheap but popular ...

Roof Replacement Cost UK. A roof replacement cost UK is approximately £5500. The cost of a roof replacement will depend on the size of the roof and the location of the property. Most homeowners in the UK spend between £2200 and £7200 on replacing the roof. These are the Factors that can Increase new Roof Prices

Roof of the Rockies: A History of Colorado Mountaineering ...

Combining solid research and entertaining prose, Roof of the Rockies tells the complete story of 200 years of mountaineering in the state, from early 19th century explorations and discoveries to the challenges and triumphs of the present.

Roof of the Rockies: A History of Colorado Mountaineering ...

With the horses picking up weight and strength all the way, we cantered into Banff on October 24th, 10 weeks after our departure from Lake Louise. Not one horse had been lost; not one had been permanently lamed, in the whole course of what was probably the roughest continuous pack-train journey made in the Rockies since the time of the pioneers. First published in 1925, On the Roof of the Rockies details the amazing efforts undertaken by Lewis Freeman and Byron Harmon to scientifically explore and comprehensively photograph during their 70-day, 500-mile journey the most stunning regions of the Canadian Rockies and Columbia Mountains. With a guide, a wrangler, a cook, 16 horses, two dogs, some carrier pigeons and hundreds of pounds of what was then state-of-the-art photography, moviemaking and radio equipment, the group journeyed through the area contemplating the routes of earlier explorers, facing violent storms and ultimately preserving historic views of pristine wilderness for future generations.

Roof of the Rockies: A History of Colorado Mountaineering ...

The author grew up in the Canadian Rockies and has been exploring them since she was a child. The Canadian Rockies are one of the world's most popular tourist destinations, with four million visitors annually. Covered in detail here are all the great parks of Alberta and British Columbia. Easily accessible adventures include walking, hiking, mountain biking, fishing, boating, horseback riding, skiing and wildlife viewing -- with some of the most spectacular animals in North America. Where else can you spend the morning hiking through spectacular wilderness and by afternoon enjoy high tea in one of the grand hotels? The guide is filled with inside information on how to avoid the tourist traps and where to find the special places off the beaten path that the tourists don't know about; the most worthwhile outdoor adventures and indoor activities; the hotels and restaurants at all price levels that are the very best; plus tips on places to avoid. Each chapter covers transportation to and around the park, where to stay and eat, attractions and shopping, plus adventures, from drives to day hikes, rafting to cycling. Competing guides focus on the standard tourist sites (where the crowds can ruin your experience), while we take you to the lesser-known spots (restaurants, lodges, hiking paths), which are often more rewarding. We travel to grow - our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise. OCO sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. This guide covers British Columbia's amazing Yoho and Kootenay National Parks. The Canadian Rockies see about four million visitors annually. Easily accessible adventures include walking, hiking and backpacking; mountain biking and bicycle touring; fishing, boating and rafting; horseback riding; skiing, snowboarding, snowshoeing; and so much more. This is a guide for places to stay and eat, sights, activities, festivals - written by a lifelong resident of the Canadian Rockies.

[W seemed to have reached that horizon, and the limit of all endurance, to sit with folded hands and listen calmly to the stories of the hills we so longed to see, the hills which had lured and beckoned us for years before this long list of men had ever set foot in the country.] [Mary T.S. Schäffer Mary T.S. Schäffer was an avid explorer and one of the first non-Native women to venture into the heart of the Canadian Rocky Mountains, where few women or men had gone before. First published in 1911, Old Indian Trails of the Canadian Rockies is Schäffer's story of her adventures in the traditionally male-dominated world of climbing and exploration. It also sheds light on Native and non-Native relations at the early part of the 20th century. Full of daring adventure and romantic depictions of camp life, set against the grand backdrop of Canada's mountain landscapes, the book introduces readers to various characters from the annals of Canadian mountaineering history, including Arthur Philemon Coleman, Billy Warren, Sid Unwin, Bill Peyto and Jimmy Simpson. Old Indian Trails of the Canadian Rockies is certain to entertain and enlighten 21st-century readers, historians, hikers and climbers.

Roof of the Rockies: A History of Colorado Mountaineering ...

77 trails for the entire family. From its humble beginnings in 1811 as the earliest fur-trade post in the central Rockies, to CanadaOCO's third most visited national park, Jasper National Park offers a distinctive Rocky Mountain experience. The largest -11,228 square kilometres (4,335 square miles) - and most northerly Canadian Rockies National Park includes the foothills to the east, the Continental divide to the west along the Alberta/British Columbia border and extends to the Columbia Icefield in the south. The mighty Athabasca River, a Canadian Heritage River, flows north and east from its origin at the toe of the Columbia Glacier through Jasper Park for 168 km (104 miles) toward the Arctic Ocean. If heaven forbid, you are only able to visit one Rocky Mountain Park, I recommend this one. Jasper offers more than 1,300 kilometres (808 miles) of superb walking, hiking and backpacking trails in the front and backcountries and excellent opportunities for wildlife viewing. Snow-capped peaks, an abundance of waterfalls, expansive valleys, sparkling glacial lakes and soothing hot springs fill the landscape. The town is less commercialized than its sister park Banff, yet it offers a full complement of tourist services including many restaurants, diverse accommodations and a variety of attractions and shopping. The author grew up in the Canadian Rockies and has been exploring them since she was a child. The Canadian Rockies are one of the world's most popular tourist destinations, with four million visitors annually. Covered in detail here are all the great parks of Alberta and British Columbia. Easily accessible adventures include walking, hiking and backpacking; mountain biking and bicycle touring; fishing, boating and rafting; horseback riding; skiing, snowboarding, snowshoeing; and so much more. This is a guide for places to stay and eat, sights, activities, festivals - written by a lifelong resident of the Canadian Rockies. A review of the complete Canadian Rockies Adventure Guide from which this is drawn: Having been to the Canadian Rockies numerous times and thinking we had seen all the wonderful places before we discovered this book, we now must plan many more trips there to explore all the other incredible places described in detail in this Guide. With numerous beautiful color photographs, most of which are by the author, this guide is a treasure because the scenery of the Canadian Rockies is some of the most spectacular in the world. A unique feature of this guide book is that it includes hiking details for each of the areas described. Since we have hiked many of these areas, we know this is a necessary and valuable tool for planning hikes. With each section Koller has Hikes, Drives, Sights, and Activities, so for non-hikers it is just as valuable, also giving information for booking guided tours. The Canadian Rockies have so many wonderful places to discover and some are quite hidden unless you know where to look, as you will with this guide. Everything from camping to exclusive hotels and restaurants are catalogued also. -- Bonnie Neely (Amazon reviewer)
