"A haunting tapestry of interwoven stories that inform us not just about our past but about the resentment-bred demons that are all too present in our society today . . . The interconnected strands of race and history give Ball's entrancing stories a Faulknerian resonance." —Walter Isaacson, The New York Times Book Review A 2020 NPR staff pick | One of The New York Times' thirteen books to watch for in August | One of The Washington Post's ten books to read in August | A Literary Hub best book of the summer| One of Kirkus Reviews' sixteen best books to read in August The life and times of a militant white supremacist, written by one of his offspring, National Book Award-winner Edward Ball Life of a Klansman tells the story of a warrior in the Ku Klux Klan, a carpenter in Louisiana who took up the cause of fanatical racism during the years after the Civil War. Edward Ball, a descendant of the Klansman, paints a portrait of his family's anti-black militant that is part history, part memoir rich in personal detail. Sifting through family lore about "our Klansman" as well as public and private records, Ball reconstructs the story of his great-great grandfather, Constant Lecorgne. A white French Creole, father of five, and working class ship carpenter, Lecorgne had a career in white terror of notable and bloody completeness: massacres, night riding, masked marches, street rampages—all part of a tireless effort that he and other Klansmen made to restore white power when it was threatened by the emancipation of four million enslaved African Americans. To offer a non-white view of the Ku-klux, Ball seeks out descendants of African Americans who were once victimized by "our Klansman" and his comrades, and shares their stories. For whites, to have a Klansman in the family tree is no rare thing: Demographic estimates suggest that fifty percent of whites in the United States have at least one ancestor who belonged to the Ku Klux Klan at some point in its history. That is, one-half of white Americans could write a Klan family memoir, if they wished. In an era when racist ideology and violence are again loose in the public square, Life of a Klansman offers a personal origin story of white supremacy. Ball's family memoir traces the vines that have grown from militant roots in the Old South into the bitter fruit of the present, when whiteness is again a cause that can veer into hate and domestic terror.

Dirk Wallace is handed a simple assignment - find out who's blackmailing Mrs Thorsen's daughter. Before long, Wallace realises that he's up against some very organised crime. And when things turn nasty, there's only one thing to do. Wallace and his assistant quit the Acme Detective Agency and go it alone. There's a score to be settled. And Dirk Wallace doesn't want to have to play by the rules.

AutoCAD Civil 3D 2011 Essentials is designed for students, Civil Engineers and Surveyors who want to take advantage of AutoCAD Civil 3D's interactive, dynamic design functionality. AutoCAD Civil 3D permits the rapid development of alternatives through its model-based design tools. You will learn techniques enabling you to organize project data, work with points, create and analyze surfaces, model road corridors, create parcel layouts, perform grading and volume calculations tasks, and lay out pipe networks. This textbook focuses on teaching students the core tasks and workflows that are needed to successfully operate AutoCAD Civil 3D. This text is intended for all users of AutoCAD Civil 3D. Upon completion of this textbook, students will be able to: Become familiar with the civil 3D user interface Create /Edit Parcels and print parcel reports Create and manage Points and Point Groups and work with survey figures Create, edit, view, and analyze surfaces Create and edit Alignments Create data shortcuts and vault projects Create sites, profiles and cross-sections Create assemblies, corridors, and intersections Create complex grading solutions Create pipe networks Perform quantity takeoff and volume calculations Utilize Plan productions to create plan profiles sheets

When a letter is found in a secret drawer discussing a wonderful event that happened on Christmas during wartime in 1914, the finder of the letter returns it to the addressee who is living in a nursing home.
