~~Bulls' Wendell Carter Jr. not stressing over trade rumors~~

Rumors may or may not contain elements of truth, but their veracity is anyone ' s guess—rumors carry no factual certainty. Rumors are also known as gossip, and the Bible has a lot to say about that. Scripture warns against spreading rumors and those who engage in gossip. Proverbs 20:19 says, “ A gossip betrays a confidence; so avoid anyone ...

Poses an argument that today's Christians inappropriately count on religious experts to define or set the standards for living one's faith, arguing that settling for another's description renders one vulnerable to doubts in the face of difficult challenges, in a guide that offers counsel on how to get to know God for oneself. Original. 10,000 first printing.

Glenn Packiam redefines the word lucky in the context of Jesus' beatitudes in Luke's Gospel. Lucky uncovers how the poor, hungry, mourning and persecuted are blessed because the Kingdom of heaven—its fullness, comfort, and reward—is theirs in spite of their condition. This is Christ's announcement: the Kingdom of God has come to unlikely people. Like the people Jesus addressed, we are called lucky not because of our pain or brokenness but because in spite of it, we have been invited into the Kingdom. The trajectory of our lives have been altered. What's more, we now have a part in the future that God is bringing. Like Abraham, we have been blessed to carry blessing, to live as luck-bearers to the unlikely and unlucky.

God has offered us firsthand knowledge of His love, His grace, and His power. Yet so often, we too easily settle for someone else's descriptions, the Cliff notes from another's spiritual journey. We are content for "God-experts" to do the heavy lifting and then give us the bottom line. And like any secondhand information, after enough times through the grapevine, the truth about God deteriorates and crumbs of rumor are all that remain. But when life derails, and things don't go as we had planned, our thin view of God is challenged. In those critical moments, we can choose to walk away from God, or to let our questions lead us home. When we choose to wrestle with God, to engage Him for ourselves, we-like Jacob and Job and David-will see rumors die and revelation come alive. It's time to hear the magnificent, Divine Invitation. It's time to take God up on His offer and embrace the mystery and majesty of knowing Him for ourselves.

Are you tired of life as you know it? Do you feel bored with your reality, stuck in the ho-hum humdrums of your own existence? Excitement can be found in contradictions. There are few things as seemingly contradictory than a used car dealer And The most famous religious figure of all time, Jesus Christ. In A Used Car Dealer's Take on Jesus Christ, your eyes will be opened to a reality beyond the mundane of everyday life. Author and used car dealer Steve Timmons has held intimate conversation with God, gained more than one second chance to experience miracles, and has entertained supernatural beings. This remarkable collection of God encounters will refresh, restore, and create a hunger within you For The supernatural in your day-to-day life.

Two thousand years ago, Jesus walked across Galilee; everywhere he traveled he gained followers. His contemporaries are familiar historical figures: Julius Caesar, Caesar Augustus, Herod the Great, Pontius Pilate. It was an era of oppression, when every man, woman, and child answered to the brutal rule of Rome. In this world, Jesus lived, and in this volatile political and historical context, Jesus died—and changed the world forever. Adapted from Bill O'Reilly's bestselling historical thriller Killing Jesus, and richly illustrated, The Last Days of Jesus is a riveting, fact-based account of the life and times of Jesus.

Jesus Christ is popular with many North Americans, but do they honor the Jesus of Scripture? Each author in this collection teams with one or more young adults to consider the various ways we encounter and experience Jesus. Topics include Jesus and creation, Jesus and the cross, Jesus and salvation, Jesus and mission, and Jesus and the future. Authors include Stanley Green, Michele Hershberger, Mark Thiessen Nation, Willard Swartley, Jack Suderman and April Yamasaki.

Foreword by Shane Claiborne. Free downloadable study guide available [here](#).

Jesus says, “ The Scriptures point to me! ” (John 5:39 NLT). But what does that mean exactly? The twenty-seven books of the New Testament are largely a commentary on the Old Testament, and each part of the Bible is a signpost to Jesus. Once this is properly understood, everything changes, including our own identities. In this magisterial work you will discover a Jesus who is larger, more glorious, and more challenging than most of us have ever imagined. Biographies of Jesus generally have been written by those trying to investigate the historical Jesus with little attention given to the grand narrative of Scripture. On the flip side, those interested in tracing the theology of Scripture are typically disinterested in historical Jesus studies. These two approaches have yet to converge...until now. Jesus is written for the average reader as well as scholars. Leonard Sweet and Frank Viola (authors of Jesus Manifesto) unfold the greatest story ever told in a fresh and invigorating way. So whether you are a seasoned Christian, a new believer, or someone who is intrigued by Jesus, this book unveils the discoveries of a lifetime, transforming the tired and familiar way we have read the Bible into an electrifying journey of rediscovering Christ. Introducing a new kind of Jesus biography. In this compelling work, authors Leonard Sweet and Frank Viola reclaim the entire Bible as a gripping narrative about Jesus Christ. Virtually every other “ Jesus biography ” begins with the nativity account in Bethlehem. In this groundbreaking book, Sweet and Viola begin before time, in the Triune God, and tell the complete interconnected story of Jesus from Genesis to Revelation. Jesus: A Theography is the first book ever written to combine historical Jesus studies with biblical theology, crafting together one breathtaking saga that tells the Jesus story in both Old and New Testaments. This flagship book demonstrates clearly that every bit of Scripture is part of the same stunning drama, what the authors refer to as the theography of Jesus Christ.
