Shams-i-Tabriz (Persian:) or Shams al-Din Mohammad (1185 – 1248) was a Persian poet, who is credited as the spiritual instructor of Mawlānā Jalāl ad-Dīn Muhammad Balkhī, also known as Rumi and is referenced with great reverence in Rumi's poetic collection, in particular Diwan-i Shams-i Tabriz (The Works of Shams of Tabriz). Tradition holds that Shams taught Rumi in seclusion in Konya for a period of forty days, before fleeing for Damascus.

Shams Tabrizi - Wikipedia

Shams al-Din Mohammad bin Ali bin Malik-e Dad or Shams al-Din Tabrizi (meaning "the Sun of Faith from Tabriz") was a Persian Sufi saint who is best known for his intense spiritual relationship with Mawlana Jalaluddin Rumi. He is credited for wholly transforming Mawlana Rumi's life and thought after arriving in Konya in 642/1244.

Shams-i Tabriz Rumi's Sun: The Teachings of Shams of Tabriz Paperback – Import, 12 January 2018 by Shams of Tabriz (Author), Refik Algan (Translator), Camille Helminski (Translator) 4.5 out of 5 stars 26 ratings

A collection of many lessons and discourses from Shams of Tabriz, the Sufi mystic and spiritual master who was the catalyst for Rumi's awakening. Rumi's son wrote, "After meeting Shams, my father danced all day and sang all night. He had been a scholar he became a poet. He had been an ascetic he became drunk with Love."

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

Rumi has become one of the best-selling poets in North America. Practically every biography highlights his encounter with Shams-i Tabrizi, the wandering mystic who became his beloved companion. Rumi had been a sober scholar, teaching law and theology to a small circle of students, but Shams turned him into a devotee of music, dance, and poetry. Then, after three years, he vanished, never to be seen again. It was Rumi's longing for the lost Shams that made him one of the world's greatest poets, celebrating him as the embodiment of the divine beloved. This book makes available for the first time in any European language first-hand accounts of Shams that have never been studied by Western scholars. When Rumi and Shams talked, members of the circle took notes, which were preserved and sometimes copied by later generations, ending up in various libraries scattered around Turkey; this book arranges them in a manner that clarifies their meaning and context, with notes and

a glossary.--From publisher description.

At long last, an accessible little book that focuses on the teachings of Rumi ' s teacher and inspiration, Shams of Tabriz. Included in this slim, charming volume is a biographical sketch of the great Sufi teacher and mystic and a new translation of 500 of his core teachings that bring into fresh focus the meaning and mysteries of life and love. There are many books on Rumi and many translations of his works and yet most readers are unaware of how Rumi became a mystic. Shams, an Arabic word that means the sun, was the catalyst that converted the rather resolute and ascetic Rumi, the cleric and teacher, into Rumi, the passionate disciple of the religion of love. He was the agent of the propulsive mystical energy that transformed Rumi the reticent into Rumi the ecstatic poet. Rumi lovers, spiritual seekers, and devotees of the mystical path will meet this little book of wisdom and mystical secrets with enthusiasm. I shall not place you in my heart For you may get hurt by its wounds. I won ' t keep you in my eyes For I may belittle you and expose you to the ridicule of common men. I will hide you inside my soul, not in my heart or in my eyes, so that you may become one with my breath.

Selection of the lyrical poetry of Jalaluddin Rumi.

This is a collection of 49 of the most divine love poems by Rumi, one of the most widely read and bestselling poets of the world. In 1244 a man wrapped in a coarse black coat entered Konya and so into the life of Islam ' s most celebrated poet and mystic: Mevlana Jalaluddin Rumi. A wanderer and spiritual vagabond, Shams of Tabriz proceeded to wrestle with Rumi ' s soul. What he wanted from his protégé was for him to embody a wilder, more robust spirituality that would enable him to embrace life ' s rawness more completely than any saint had done in the past. Warriors of Love gives a fresh interpretation of a selection of 49 poems which were written by Rumi as metaphors for his love for God as well as for his friend Shams, the Wild One. This essential volume also includes a long introduction on the life and times of Rumi and his friendship with Shams, the historical facts of their encounter, Sufism, the Mevlevi Order of Dervishes, the new dimension that Shams brought to Islamic spirituality and the importance of friendship as a true path to God.

A seminal collection of poetry from the medieval Sufi mystic—the most popular poet in America—and his “ soul friend,” Shams Tabriz, which illuminate the evocative and deeply spiritual dimensions of friendship and love, compiled by the foremost Rumi translator and author of *The Essential Rumi*, Coleman Barks. In this stunning translation, Coleman Barks brings to light Rumi ' s theme of “ love as religion ” —that to reach its most profound depths requires mindful practice—as well as love in its most meaningful form: soul friendship. These short poems by both Rumi and Shams Tabriz, rich in beauty and spiritual insight, capture the delight and the impermanence of these bonds that pierce deep into the human mind, heart, and soul. Rumi ' s poetry is honored and enjoyed by many traditions and cultures. Today, many people from all walks of life have moved beyond traditional notions of spirituality, embracing a sense of the sacred that transcends a singular religion, belief, or text. Rumi ' s poetry speaks to them and nourishes their divine yearnings. Joyous and contemplative, provocative and playful, Rumi: Soul

Fury is a sterling addition to the modern Rumi oeuvre, and is sure to be embraced by his wide and devoted readership.

Rumi is now acknowledged as one of the great mystical poets of the Western world, with huge sales of the many collections of his poetry. Not much is known about his life except that he lived in thirteenth-century Anatolia (now Turkey), had a great spiritual friendship with a wild man called Shams, brought an adopted daughter into his family, and was distraught when Shams finally disappeared. Rumi's Daughter is the delightful novel about Kimya, the girl who was sent from her rural village to live in Rumi's home. She already had mystical tendencies, and learned a great deal under Rumi's tutelage. Eventually she married Shams, an unusual husband, almost totally absorbed by his longings for God. Their marriage was fiery and different and, in the end, dissolved by Kimya's death - after which Shams vanished. Rumi's Daughter tells Kimya's story with great charm and tenderness. Well written and thought-provoking, it is sure to draw comparison with Paulo Coelho's *The Alchemist*, and also to add something fresh and new to what is so far known about Rumi.

Shams, the sun of Love that burned Rumi's heart...Shams, the real treasure hunter... the exchanger of Love...Shams, the martyr of Love who sacrificed his head to Rumi...One day in 2002, I went to Konya to visit Rumi.I was just about to enter the door of the shrine when an old man with a white beard came in front of me and rejected my entry into the shrine and said, "No, don't you do this! You should first go and visit Shams and then come back here!"I went back, learned where the shrine of Shams of Tabriz was, and went there.I entered the mosque that I hadn't visited before, bashfully. I saw the tomb of Shams in front of me. I approached and said my prayer.The mosque official started to recite the Iqama for the obligatory afternoon prayer. The community formed a line.I was touched. All of a sudden, my inner heart said "Oh, the sultan of lovers, what have you turned Rumi into! I wish you were here today so that we could perform the prayer together, shoulder to shoulder."At that moment, someone sharp-eyed from the front rows called out to me inviting me with a fine, strong voice saying "Then, come here!" I went next to him and stood on his left side. My knees were trembling with excitement. He leaned his shoulder on mine and we started the prayer.Oh my God! His shoulder was like a fire. This fire burned my body during the prayer. In the last unit of the prayer, I said to myself "My God, let me hug him after the prayer, then take my life." When I turned to him after completing the prayer, I could not see him. I asked the man next to me "Where is he?" He answered, "He stood up quickly and disappeared." I almost fainted and could not pull myself together for a while.When I gathered myself, everyone had left and the mosque was empty. I stood up and went back to Rumi's shrine to complete my visit in peace.After my visit, I became happy when I realized how much Rumi is known and loved in our country and abroad.After that day, I promised myself to introduce Shams of Tabriz, who has contributed to Rumi becoming who he is, as much as I can; and in 2003, I published the first edition of this book.I am very happy that many books about Shams have been published today and that Shams has gotten the attention he deserves. I am proud to be one of the people to start this research.

The acclaimed New York Times bestselling author of *Smash Cut*, *Flannery*, and *City Poet* delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a

Online Library Shams Of Tabriz S

Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi ' s life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world ' s greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, Rumi ' s Secret reveals the unfolding of Rumi ' s devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.
