Sword and shield : the Soviet intelligence and security ...

The KGB was created in 1954 to serve as the " sword and shield of the Communist Party. " . The new security service, which played a major role in the purge of Beria ' s supporters, was designed to be carefully controlled by senior Communist Party officials. It was divided into approximately 20 directorates, the most important of which were those responsible for foreign intelligence, domestic counterintelligence, technical intelligence, protection of the political leadership, and the ...

KGB - Creation and role of the KGB | Britannica

On 6 November 1991, before the dissolution of the Soviet Union, the KGB split into the Federal Security Service and the Foreign Intelligence Service of the Russian Federation. After breaking away from Georgia in the early 1990s with Russian help, the self-proclaimed Republic of South Ossetia established its own KGB (keeping this unreformed name ...
