WARNING: This is not the actual book *The Ex Games 3* by J. S. Cooper & Helen Cooper. Do not buy this reading Sidekick if you are looking for a full copy of this great book. This sidekick of *The Ex Games 3* is especially useful, as it provides background info from the first two books in the series, while helping readers connect the three books. Unlike many books that are part of a series, this book on its own can be confusing, as very little background is offered. Without this sidekick of *The Ex Games 3*, you are left wondering who is who and how everyone knows each other. The major themes in *The Ex Games 3* are maturity and honesty. This sidekick helps readers follow these themes through the on-again off-again relationship of Katie and Brandon. Katie was 18 and a college freshman when she first met Brandon, a 35-year-old businessman. She was too immature for their relationship to survive, and the lies they each told severed their initial bond. Their relationship only becomes healthy and complete when they both finally tell the truth. In *The Ex Games 3*, the result of the secrets and lies that have impacted the relationship of Brandon Hastings and Katie Raymond since they met seven years previous appear to have destroyed their relationship. Although they reconnect, the secrets and lies continue, leaving the reader to wonder whether they will make it. Katie and Brandon both narrate *The Ex Games 3*, and the dual-person perspective takes us into the minds of both, helping us understand the motives behind their sometimes baffling actions and decisions.

much it was going to change their lives. Power, greed, sex, and money filled their brains, but love never touched them. When Katie Raymond and Meg Riley entered their lives, everything they thought they knew about life changed. They realized that love meant more to them than anything else and they were ready to start their lives anew. However, the course of true love never runs smoothly and happiness and marriage may not be in their futures. When secrets from the past are revealed and lies are exposed, both men fear they will lose the love of their lives. Brandon and Greyson know that they only have one chance to make everything right, but the one person they are counting on to help them, may be the one person who wants to take them both down. After *The Ex Games* is the stunning and mind blowing finale to *The Ex Games* and *The Private Club* serials. The Private Club is a three book erotic romance novella serial. What happens at the private club stays at the private club! When Meg Riley lost her job as an attorney, she never thought she'd end up working for a private club. But when she met the handsome and elusive, Greyson Twining, she knew she couldn't turn the job down; even though she didn't really know what the position entailed. Meg. A call he should have listened to more closely. As Meg and Greyson embark on day one of training, neither of them realize that there are secrets about to come out that will completely alter both of their lives. Part two will be out on February 13th and part three will be out on February 20th.

WARNING: This is not the actual book *The Ex Games 3* by J. S. Cooper & Helen Cooper. Do not buy this Review if you are looking for a full copy of this great book. This review of *The Ex Games 3* helps readers understand the relationships between the characters, their lies, and the resultant problems. This review is crucial if you wish to understand the plot intricacies and the inner working of the personalities of Katie and Brandon as they mature and change. *The Ex Games 3* does not read well as a standalone work. In order to appreciate the dual themes of honesty and maturity, it's imperative that you read the series' first two installments. Brandon Hastings and Katie Raymond are dealing with the lies they have told each other in *The Ex Games 3*, lies that tore their relationship apart seven years ago when Katie kept a damaging secret from Brandon. Not only do they have to deal with those lies, but others enter to try to tear their relationship apart as well. Additionally, they both have secrets in their past that must be shared. *The Ex Games 3* is considered an erotic novella, but it is much more. The plot that weaves its way through the three books grabs readers, involving them in the complex lives of two dysfunctional human beings as they attempt to accept the necessity of honesty in a relationship that frequently seems doomed. At the end, however, the reader joins Katie and Brandon

To The Rude Guy in Apartment Five, I ' m glad you ' re happy to have moved into a new apartment, but no: I do not want to have a beer with you. I do not want to have a nude sleepover. I do not want to make you breakfast, lunch or dinner, no matter how many lap dances you promise to give me. I do not need you to serenade me through the walls at 1am. And no, I have no interest in letting you take me on a date. Sincerely, Magnolia Allen P.S. And no, I do not want to know how many accents you can growl in during intimate moments. How is that even a thing? P. P. S. Also, you will never find me standing naked in your living room ever again, so please stop leaving lingerie packages on my welcome mat.
