Benefits Delivery and Administration - Willis Towers Watson
An HRA, or health reimbursement arrangement, is a kind of health spending account provided and owned by an employer. The money in it pays for qualified expenses, like medical, pharmacy, dental and vision, as determined by the employer. Your employer decides whether to let unused funds roll over from one year to the next.

Health Reimbursement Arrangements (HRAs) | HealthEquity

Health reimbursement arrangements (HRAs) are a type of account-based health plan that employers can use to reimburse employees for their medical care expenses. New rules released by the Departments of Labor, Health and Human Services, and the Treasury permit employers to offer a new “individual coverage HRA” as an alternative to traditional group health plan coverage, subject to certain conditions.
