### The Last Kingdom The Last

The year is 872, and many of the separate kingdoms of what we now know as England have fallen to the invading Danes, leaving the great kingdom of Wessex standing alone and defiant under the command of King Alfred. Against this turbulent backdrop lives our hero, Uhtred. Born the son of a Saxon nobleman, he is captured by the Danes and raised as one of their own.

The Last Kingdom | Tv-and-radio | The Guardian

The official website of The Last Kingdom TV Series, based on Bernard Cornwell's "The Saxon Stories".

In the middle years of the ninth century, the fierce Danes stormed onto British soil, hungry for spoils and conquest. Kingdom after kingdom fell to the ruthless invaders until but one realm remained. And suddenly the fate of all England—and the course of history—depended upon one man, one king. New York Times bestselling author Bernard Cornwell's *The Last Kingdom* is a rousing epic adventure of courage, treachery, duty, devotion, majesty, love, and battle as seen through the eyes of a young warrior who straddled two worlds. "Historical novels stand or fall on detail, and Mr. Cornwell writes as if he has been to ninth-century Wessex and back."—WALL STREET JOURNAL

**#1 UK BESTSELLER** The final installment in Bernard Cornwell's bestselling Saxon Tales series, chronicling the epic story of the making of England, "like *Game of Thrones*, but real" (The Observer, London)—the basis for *The Last Kingdom*, the hit Netflix series. **THE FINAL BATTLE AWAITS...** The epic conclusion to the globally bestselling historical series. England is under attack. Chaos reigns. Northumbria, the last kingdom, is threatened by armies from all sides, by land and sea – and only one man stands in their way. Torn between loyalty and sworn oaths, the warrior king Lord Uhtred of Bebbanburg faces his greatest ever battle – and prepares for his ultimate fate... "Perhaps the greatest writer of historical adventure novels today" (Washington Post), Bernard Cornwell has dazzled and entertained readers and critics with his prolific string of page-turning bestsellers. Of all his protagonists, however, none is as beloved as Uhtred of Bebbanburg, and this thrilling historical novel continues the saga of his adventures and the turbulent early years of England.

Start the epic journey today. This is the ultimate collection: the first six books in the epic and bestselling series that has gripped millions. A hero will be forged from this broken land. As seen on Netflix and BBC around the world.

The first installment of Bernard Cornwell's bestselling series chronicling the epic saga of the making of England, "like *Game of Thrones*, but real" (The Observer, London)—the basis for *The Last Kingdom*, the hit television series coming to Netflix in Fall 2016. This is the exciting—yet little known—story of the making of England in the 9th and 10th centuries, the years in which King Alfred the Great, his son and grandson defeated the Danish Vikings who had invaded and occupied three of England's four kingdoms. The story is seen through the eyes of Uhtred, a dispossessed nobleman, who is captured as a child by the Danes and then raised by them so that, by the time the Northmen begin their assault on Wessex (Alfred's kingdom and the last territory in English hands) Uhtred almost thinks of himself as a Dane. He certainly has no love for Alfred, whom he considers a pious weakling and no match for Viking savagery, yet when Alfred unexpectedly defeats the Danes and the Danes themselves turn on Uhtred, he is finally forced to choose sides. By now he is a young man, in love, trained to fight and ready to take his place in the dreaded shield wall. Above all, though, he wishes to recover his father's land, the enchanting fort of Bebbanburg by the wild northern sea. This thrilling adventure—based on existing records of Bernard Cornwell's ancestors—depicts a time when law and order were ripped violently apart by a pagan assault on Christian England, an assault that came very close to destroying England.

The third installment of Bernard Cornwell's bestselling series chronicling the epic saga of the making of England, "like *Game of Thrones*, but real" (The Observer, London)—the basis for *The Last Kingdom*, the hit television series coming to Netflix in Fall 2016. After achieving victory at King Alfred's side, Uhtred of Bebbanburg is returning to his home in the North, finally free of his allegiance to the King—or so he believes. An encounter with a vicious slave trader introduces Uhtred to Guthred, the self-proclaimed King of Northumbria. Curious about Guthred's astounding claim, Uhtred follows him north. But he soon discovers fate has another incredible surprise in store, and begins an unexpected journey that climaxes in the midnight

siege of a city thought impregnable—a dangerous seige that results in the forging of England. Lords of the North is Bernard Cornwell's finest work yet—a breathtaking adventure, but it also tells the story of the creation of English identity, as the English and Danes begin to become one people, appropriating each other's languages and, thrillingly, fighting side-by-side.

The ultimate collection of books 1-8 in the epic and bestselling series that has gripped millions. A hero will be forged from this broken land. As seen on Netflix and BBC around the world.

Bernard Cornwell's epic story of the making of England continues in this eleventh installment in the bestselling Saxon Tales series—"like Game of Thrones, but real" (The Observer)—the basis of the hit Netflix television series The Last Kingdom. His blood is Saxon His heart is Viking His battleground is England "Perhaps the greatest writer of historical adventure novels today" (Washington Post), Bernard Cornwell has dazzled and entertained readers and critics with his page-turning bestsellers. Of all his protagonists, however, none is as beloved as Uhtred of Bebbanburg. And while Uhtred might have regained his family's fortress, it seems that a peaceful life is not to be – as he is under threat from both an old enemy and a new foe. The old enemy comes from Wessex where a dynastic struggle will determine who will be the next king. And the new foe is Sköll, a Norseman, whose ambition is to be King of Northumbria and who leads a frightening army of wolf-warriors, men who fight half-crazed in the belief that they are indeed wolves. Uhtred, believing he is cursed, must fend off one enemy while he tries to destroy the other. In this new chapter of the Saxon Tales series—a rousing adventure of courage, treachery, duty, devotion, majesty, love and battle, as seen through the eyes of a warrior straddling two worlds—Uhtred returns to fight once again for the destiny of England.

The seventh installment of Bernard Cornwell's bestselling series chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis for The Last Kingdom, the hit television series coming to Netflix in Fall 2016. At the onset of the tenth century, England is in turmoil. Alfred the Great is dead and his son Edward reigns as king. Wessex survives but peace cannot hold: the Danes in the north, led by Viking Cnut Longsword, stand ready to invade and will never rest until the emerald crown is theirs. Uhtred, once Alfred's great warrior but now out of favor with the new king, must lead a band of outcasts north to recapture his old family home, the impregnable Northumbrian fortress Bebbanburg. Loyalties will be divided and men will fall as each Saxon kingdom is drawn into the bloodiest battle yet with the Danes—a war that will decide the fate of every king, and the entire English nation. With The Pagan Lord, New York Times bestselling author Bernard Cornwell—"the most prolific and successful historical novelist in the world today" (Wall Street Journal)—continues his magnificent epic of the making of England during the Middle Ages, vividly bringing to life the uneasy alliances, violent combat, and deadly intrigue that gave birth to the British nation.

A collection of the first four installments of Bernard Cornwell's bestselling series chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis for The Last Kingdom, the hit television series. This ebook collection includes The Last Kingdom, The Pale Horseman, Lords of the North, and Sword Song.
